

§ 159E-8. Agents; depositories.

(a) An issuer, with the approval of the Commission, may appoint for such term as may be agreed, including for so long as a registered public obligation may be outstanding, corporate or other authenticating agents, transfer agents, registrars, paying or other agents and specify the terms of their appointment, including their rights, their compensation and duties, limits upon their liabilities and provision for their payment of liquidated damages in the event of breach of certain of the duties imposed, which liquidated damages may be made payable to the issuer, the owner or a financial intermediary. None of such agents need have an office or do business within this State.

(b) An issuer may agree with financial intermediaries in connection with the establishment and maintenance by others of a depository system for the transfer or pledge of registered public obligations or any interest therein. Any such financial intermediaries may, if qualified and acting as fiduciaries, also serve as authenticating agents, transfer agents, registrars, paying or other agents of the issuer with respect to the same issue of public obligations.

(c) Nothing in this Chapter shall preclude the issuer from itself performing, either alone or jointly with others, any transfer, registration, authentication, payment, depository or other function described in this section. (1983, c. 322, s. 1.)
